SERIES OF FINE CARRIAGE DOORS

## LANDMARK SERIES COLLECTIONS

**I**n our continuing tradition of handcrafting solid wood carriage doors with an unrivaled blend of quality, beauty and value, Artisan presents the Landmark Series. Inspired by our other carriage door products, the Artisan Landmark Series is innovatively designed to create pleasing details and incredible value. Constructed using a durable two-layer frame for structural integrity and a polystyrene core for added thermal performance, the Landmark Series features a gallery of attractive design collections, hand-crafted for either stain or paint finishes. A combination of great styling options and available add-ons like decorative hardware and factory finishing makes the Artisan Landmark Series an exceptional choice for virtually any style of home.

### **Popular Carriage Door Designs**

The Landmark Series is available in Swing, Bifold, and Trifold styles to meet most any design need.

### **Standard and Custom Sizes**

Choose from 7ft, 8ft, and 9ft heights in both single and doublewide configurations, or specify a custom size.

### **Great Architectural Styling Options**

Choose from a variety of panel types, trim options and window grille patterns to harmonize the door design with the surrounding architecture.

### **Value-Engineered**

Frame and panel components are innovatively designed to create weight-sensitive durability and added thermal performance.

### **Highest Attention to Detail**

Fasteners are used in concealed areas to create clean, mark-free frame and panel surfaces.

LANDMARK SERIES—FAIRPORT COLLECTION (STAIN-GRADE)

The rich grain of Clear Spanish Cedar and authenticity of beaded tongue and groove panels are what define our Fairport Collection. Known for its outstanding performance characteristics and furniture-like staining qualities, Clear Spanish Cedar is an exotic South American hardwood that creates a remarkable blend of refinement, elegance, and lasting beauty.

Fairport Collection FP-SW-12L-AT-VB-2BP Factory Finish Stain Color: Burnt Oak

LANDMARK SERIES—NEWPORT COLLECTION (PAINT-GRADE)

The Newport Collection is made with the same innovation and attention to quality as Fairport, but with materials suitable only for paint finishes. Frame components are milled from Douglas Fir timbers, a wood species with excellent strength characteristics. Extira® solid panels are made from a wood composite and treated for resistance against moisture, termites, and decay. Select either a smooth flat panel style or a v-groove milling design.

## ARTISAN ENDURAFINISH™ STAIN COLORS

To preserve the natural beauty of Artisan doors and eliminate on-site finish work, The Fairport Collection can be ordered pre-finished from the factory with the Artisan EnduraFinish, a 5-step polyurethane stain or paint coating system formulated exclusively for Clear Spanish Cedar. The Artisan EnduraFinish is incredibly durable, and has the feel and look of a furniture-quality finish that cannot be duplicated at the job site. Choose from 12 stain colors below, or submit your custom paint color to Artisan.

**Note: Stain colors will vary with the texture of the wood.**

Burnt Oak

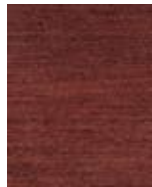

Early American

Red Mahogany

Golden Oak

Dusty Mahogany

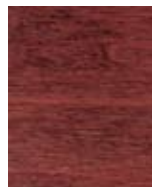

Rich Cherry

Cinnamon

American Walnut

Colonial Mahogany

Royal Cherry

Fireside

Traditional Mahogany

*Colors shown are as close to actual as allowed by the printing process. Actual stain on wood samples are available.*

## DOOR SPECIFICATIONS & CONSTRUCTION

- Sections consist of 1 3/8" Clear Spanish Cedar (Fairport), or 1 3/8" Douglas Fir (Newport), and 1/2" backer panel to create overall door thickness of 1 7/8". Door components are coped and fastened together using pocket holes and coated screws. A layer of polystyrene foam insulation is placed between the front panel and backer panel.
- Stain-grade tongue and groove panels consist of 9/16" solid Clear Spanish cedar.
- Paint-grade panels consist of a 1/2" thick Extira® wood composite material available with a flat surface or milled with v-grooves.
- Glazing is double strength 1/8" clear glass.
- Exterior grilles are fastened from the inside and measure 7/16" thick and 1 1/4" wide with square edges. Specify zero lites for solid top.
- Bottom astragal is EPDM rubber u-seal mounted in an extruded aluminum retainer.
- Clear Spanish Cedar door stops are available and include a choice brown, sandtone, gray, or white vinyl weather seals.

## HARDWARE SPECIFICATIONS

- Vertical and horizontal tracks are 2" wide, 0.057 and 0.069 thick, respectively. Available track designs include 15" radius (16" headroom), 12" radius (13" headroom), 6" low clearance (10" headroom), 3" low clearance (6" headroom).
- Door hinges are 14-gauge galvanized steel.
- Struts are 2 1/4" wide, 20-gauge galvanized steel.
- Rollers are nylon ball-bearing with zinc-plated shafts.
- Torsion springs are rated at 10,000 cycles.
- Cables are 3/32" strand aircraft-type.

## FACTORY FINISHING

The Artisan EnduraFinish™ is available for the Fairport Collection only, and comes with a two-year limited warranty. The Newport Collection is available primed or finished with a latex-based house paint.

## FIELD FINISHING

Door sections must be finished on all six edges upon delivery and prior to installation. For staining, use Sikkens wood preservative. For painting, use a high-quality latex or oil-based product.

## GUARANTEED FOR QUALITY

Artisan warrants each Fairport and Newport door for a period of two years against manufacturing defects.
